

REASONS WHY OUR PATIENTS LOVE ACORN DENTAL

Our Team- Your Dental Family

When you are here, you are family. Our team takes time to get to know you and looks forward to building a lifelong relationship.

Cosmetic Dental Options

Look younger and enjoy lasting beauty with the perfect blend of art and science. Thanks to the wonders of modern dentistry, with procedures as bonding, porcelain veneers, aesthetic recontouring, tooth whitening, and implants, you *can* have your dream smile.

No Pain Dentistry

Dr. Van Istendal takes time to ensure all of his patients are as comfortable as possible. In some cases, a laser can be used to remove areas of infection or tooth decay. They are pain-free and vibration-free and generally eliminate the need for anesthetics.

Acorn Dental is equipped with the latest dental technology and meets or exceeds government standards of infection control. We take pride in ensuring you and your family complete safety in the most caring and gentle manner.
